General Terms of Publication

Retained Rights

I understand that I shall retain or hereby granted (without the need to obtain further permission) rights to use certain versions of the Article for certain scholarly purposes, as described and defined below ("Retained Rights"), and that no rights in patents, trademarks or other intellectual property rights are transferred to the journal:

- the right to make copies (print or electric) of the article for own personal use, including for own classroom teaching use;
- the right to make copies and distribute copies (including via e-mail) of the article to research colleagues, for personal use by such colleagues (but not for Commercial Purposes);
- the right to post a pre-print version of the article on Internet web sites including electronic pre-print servers, and to retain indefinitely such version on such servers or sites;
- the right to present the article at a meeting or conference and to distribute copies of such paper or article to the delegates attending the meeting;
- for the author's employer, if the article is a 'work for hire', made within the scope of the author's employment, the right to use all or part of the information in (any version of) the article for other intra-company use (e.g. training), including by posting the article on secure, internal corporate intranets;
- the right to include the article, in full or in part, in a thesis or dissertation;
- the right to use the article or any part thereof in a printed compilation of works of the author, such as collected writings or lecture notes; and

Author Representations/Ethics and Disclosure

I affirm the Author Representations noted below, and confirm that I have reviewed and complied with the relevant Instructions to Authors.

Author representations

- The article I have submitted to the MySE for review is original, has been written by the stated authors and has not been published elsewhere.
- The article is not currently being considered for publication by any other journal and will not be submitted for such review while under review by this MySE.
- The article contains no libellous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.
- I have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in my article.
- If I am using any personal details or images of patients or research subjects, I have obtained written permission or consent from the patient (or, where applicable, the next of kin).
- If the article was prepared jointly with other authors, I have informed the co-author(s) of the terms of this publishing agreement and that I am signing on their behalf as their agent, and I am authorized to do so.
